Subject: Call for Reports of Financial Condition and Performance and Loan Account Reporting System Data for the Quarter Ending March 31, 2008

To comply with 12 CFR, Part 621, a report of financial condition and performance for the 3-month period ending March 31, 2008, is requested of each Farm Credit System institution. The requested information includes the Call Report, Call Report Addenda, and the LARS Reconciliation Report. This data should be electronically submitted to FCA's Web site, www.fca.gov.

Farm Credit Banks (FCBs) and CoBank, ACB, should submit their Call Report to us on or before April 21, 2008. Agricultural credit associations, federal land credit associations, and service corporations should submit their Call Report to us on or before April 30, 2008. Each institution should download a copy of the March 31, 2008, Excel file from FCA's Web site and use it to prepare the Call Report.

FCBs and CoBank, ACB, should submit, by April 21, 2008, a LARS data file for their district for the quarter ending March 31, 2008. Associations that submit their own LARS data and the Farm Credit Financial Partners, Inc., should also submit a LARS data file by April 21, 2008. The LARS data file should be electronically submitted to the FCA. **All institutions are reminded that the LARS data elements for total note numbers, principal and interest balances outstanding, and related performance status should be reconciled to the related Call Report schedules.** Institutions should electronically submit, to the FCA, a copy of the LARS Reconciliation Report and a full explanation of the reconciling items. The LARS Reconciliation Report can be downloaded from FCA's Web site.

In addition, all FCBs; CoBank, ACB; and specific associations that have been contacted by an FCA examination team should file a Supplemental Call Report with asset/liability management (ALM) information. These institutions should download a copy of the Supplemental Call Report Excel file from FCA's Web site and use it to prepare the Call Report with ALM information. The Supplemental Call Report should be electronically submitted to the FCA by June 2, 2008.

Associations should provide their respective banks certain information on projected income in sufficient time for the banks to report projections on their district's consolidated earnings in the Supplemental Call Reports.

Further, each FCB and CoBank, ACB, should electronically submit a supplemental addendum report (Supplemental Addendum–Government Guaranteed Loans) that shows additional information on guaranteed loans and accrued interest payable on Systemwide notes and bonds. Each FCB and CoBank, ACB, should download a copy of the supplemental addendum report from FCA's Web site and use it to prepare the report. This supplemental addendum report has the same due date as the Call Report.

Enclosed with this Call request is a revised Appendix A and updates to the Loan Service Organization Codes and the Standard Industrial Codes use for LARS reporting. We have also enclosed a clarification for the reporting of the LARS data codes for loan type, commodity, state, and county.
