In addition, all FCBs; CoBank, ACB; and specific associations that have been contacted by an FCA examination team should file a Supplemental Call Report with asset/liability management (ALM) information. These institutions should download a copy of the Supplemental Call Report Excel file from FCA's Web site and use it to prepare the Call Report with ALM information. The Supplemental Call Report should be electronically submitted to the FCA by August 29, 2008.

Associations should provide their respective banks certain information on projected income in sufficient time for the banks to report projections on their district's consolidated earnings in the Supplemental Call Reports.

This supplemental addendum report has the same due date as the Call Report.
