RE: Proposed Rule Amortization Limits RIN 3052-AC92

Dear Mr. Grahn,

The Farm Credit Council, on behalf of the Farm Credit System appreciates the opportunity to comment on the Proposed Rule related to the amortization limits on PCA loans.

We support the proposed repeal of the amortization limit for PCA loans and commend the agency for taking this action. We look forward to continuing to work with the FCA to eliminate regulatory burden.

Sincerely,

Charles P. Dana
