Mr. Barry F. Mardock
Deputy Director
Office of Regulatory Policy
Farm Credit Administration
1501 Farm Credit Drive
McLean, VA 22102-5090

Dear Mr. Mardock:

Thank you for the opportunity to comment on FCA's recent proposed rule regarding Standards of Conduct. Adherence to appropriate Standards of Conduct is important to the integrity of the Farm Credit System and a topic which should be carefully considered. The FCA's proposed rule, however, does far more harm than good and should be substantially revised.

As a director of Fresno Madera Farm Credit, I find that the disclosure requirements in the Conflicts of Interest section of the proposed rule to be entirely inappropriate and completely unrealistic. The proposed rule ignores my association's cooperative structure and the way I do business in my own Bar 20 Dairy Farms operation. I routinely have business transactions with a wide variety of individuals, some of whom might be Fresno Madera Farm Credit customers. For the most part, I don't know whether someone I'm doing business with is a Fresno Madera Farm Credit customer. Even in instances where I know I'm dealing with an association customer, there is no conflict of interest since directors at Fresno Madera Farm Credit do not have any role in approving loans or the terms of loans.

Requiring me to disclose any transaction with a customer, even when I know I am doing business with a customer, is not realistic. The number of transactions I have in the normal course of my business means that both Fresno Madera Farm Credit and I would spend an enormous amount of time shuffling paperwork with absolutely no impact on any conflict of interest. Perhaps most importantly, the proposal will immediately discourage qualified individuals from serving on the board of their FCS association.

I urge the FCA to revise the proposed rule substantially prior to issuing a final rule. I would also like to offer my support for the comments submitted by (FCS association; CoBank; and/or the Farm Credit Council). Thank you for your consideration.

Sincerely,

Richard A. Shehadey, Partner
