FARM CREDIT ADMINISTRATION

12 CFR Parts 611 and 621

RIN 3052–AC44

Standards of Conduct

AGENCY: Farm Credit Administration.

ACTION: Final rule; technical amendments.

SUMMARY: On September 13, 2021, the Farm Credit Administration (FCA) issued a final rule on standards of conduct for directors and employees of Farm Credit System (System) institutions. That final rule document inadvertently failed to update two cross-references to the standards of conduct rules contained in parts 611 and 621 of the same chapter. This document makes those changes to the cross-references contained in parts 611 and 621.

DATES: Effective January 1, 2023.

FOR FURTHER INFORMATION CONTACT: Antonya Brown, Technical Editor, Office of General Counsel, Farm Credit Administration, McLean, VA 22102–5090, (703) 883–4020, TTY (703) 883–4056.

SUPPLEMENTAL INFORMATION: On Monday, September 13, 2021, FCA published in the Federal Register (86 FR 50956) a final rule amending FCA regulations governing standards of conduct for System director and employees, excluding the Federal Agricultural Mortgage Corporation, located in part 612 of chapter VI, title 12 of the Code of Federal Regulations. The rulemaking included renumbering certain sections of the existing standards of conduct provisions. In issuing the final rule, corresponding updates to standards of conduct regulatory references were inadvertently omitted. This document changes those cross-references to FCA standards of conduct contained §§ 611.1153(c)(3) and 621.30 of the same chapter.

RIN 1625–AC41

Fire Protection for Recreational Vessels

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Final rule.

SUMMARY: The Coast Guard is amending fire extinguishing equipment regulations for recreational vessels that are propelled or controlled by propulsion machinery. This rule relieves owners of these recreational vessels from certain inspection, maintenance, and recordkeeping requirements that are more suited for commercial vessels. To make it easier to find these regulations, this rule also relocates the regulations to another part of the Code of Federal Regulations.

DATES: This final rule is effective April 20, 2022.

II. Purpose, Basis, and Regulatory History

A. Purpose

The Coast Guard is amending portable fire extinguishing equipment requirements for recreational vessels that are propelled or controlled by propulsion machinery. We are relieving owners of these recreational vessels from certain inspection, maintenance, and recordkeeping requirements of National Fire Protection Association (NFPA) 10 (2010 edition). These requirements are more suited for commercial vessels. This rule does not alter standards for commercial vessels including vessels carrying passengers for hire, or have any effect on recreational vessels that do not use propulsion machinery.

This rule also moves fire extinguishing equipment rules for recreational vessels from subpart 25.30 (Fire Extinguishing Equipment) of subchapter C (Uninspected Vessels) of title 46 of the Code of Federal Regulations (CFR) to part 175 of subchapter S (Boating Safety) of title 33, where other recreational vessel rules already exist.

B. Basis and Regulatory History

The Secretary of Homeland Security is authorized by 46 U.S.C. 4302(a)(2) to prescribe regulations requiring the installation, carrying, or use of firefighting equipment and prohibiting the installation, carrying, or use of equipment that does not conform to the safety standards established under section 4302. The Secretary of Homeland Security has delegated this authority to the Coast Guard by Department of Homeland Security (DHS) Delegation No. 0170.1(B)(92)(b). The Commandant has redelegated this authority to the Assistant Commandant for Response Policy as described in 33 CFR 1.05–1(d).
