INFORMATIONAL MEMORANDUM

August 6, 2012

To: Chief Executive Officer
All Farm Credit System Institutions

From: Samuel R. Coleman, Director and Chief Examiner
Office of Examination

A handwritten signature in black ink that reads 'Samuel R. Coleman'.

Subject: Revised Standard Flood Hazard Determination Form

The purpose of this Informational Memorandum is to communicate recent changes to the Federal Emergency Management Agency (FEMA) Standard Flood Hazard Determination Form (SFHDF). The SFHDF has been changed from FEMA Form 81-93 to FEMA Form 086-0-32 and the form has been revised. FEMA will allow users a six-month adjustment or until October 31, 2012 for final adoption of the form. The new form has an expiration date of May 30, 2015. All institutions should adopt appropriate procedures to ensure compliance. FEMA Form 086-0-32 can be accessed from the FEMA Web Site at: [Link to FEMA Form 086-0-32](#).

The Farm Credit Administration is providing this information as a courtesy to keep you informed of regulatory changes or developments that may impact your institution. However, these mailings should not be seen as a replacement for, but rather as a complement to, management's due diligence in monitoring issues that may affect your institution.
